FOR IMMEDIATE RELEASE:

DALLAS, TEXAS --- For the second year, Savor Dallas and Centennial Fine Wine and Spirits present the Savor Dallas Shuttle, providing free round-trip transportation from select restaurants in the Metroplex to the International Grand Tasting on March 6 at the Sheraton Dallas Hotel. Supporting responsible consumption and an eco-friendly alternative, shuttle service is complimentary with the purchase of a ticket for the International Grand Tasting. Reservations for shuttle pick up must be made in advance at www.savordallas.com.

“We began the “Savor Dallas Shuttle” last year in our initiative to provide an alternative to driving to and from downtown Dallas,” says Jim White, co-founder of Savor Dallas.

“Additionally, guests are checked into the event on the shuttle, receive their program and the commemorative Riedel tasting glass and are ready to go when the doors open!”

The focal point of the Savor Dallas weekend, The International Grand Tasting (March 6, 7-10pm) is held in The Lone Star Ballroom of the Sheraton Dallas featuring a sampling of signature cuisines from over 60 of Dallas Fort Worth’s “Star Chefs.” Additionally, guests can choose from over 400 premium wine varietals, top shelf cocktails and hand crafted beer and ales.

Pick up locations are Crù-A Wine Bar at Watters Creek in Allen, Crù-A Wine Bar at The Shops at Legacy in Plano, Go Fish Ocean Club at Village on the Green in North Dallas, Olenjack’s Grill in Arlington and Ferrari’s Villa in Grapevine. All shuttles depart at 6:00pm. For more information about pick-up locations go to <http://www.savordallas.com/shuttle.htm>.

Tickets for all events are on sale now. For a complete schedule, go to www.savordallas.com or call 888-728-6747. A portion of the proceeds benefits the North Texas Food Bank and Booker T. Washington High School for the Performing and Visual Arts.
