Beautiful gardens filled with colorful blooms help celebrate spring at one of the nation's premier flower events. Dallas Blooms, which is regularly on MSNBC's "Top Ten Things to Do in America in the Spring," is a signature Dallas event featuring some 500,000 blooming bulbs and allowing for a one-of-a-kind opportunity to experience nature at its best. Special events take place during the month-long festivities, including ArtScape, the Dallas Arboretum's juried fine art and fine craft show and sale, which brings together outstanding artists from around the country. This three-day show, taking place March 16–18, features art, entertainment throughout the garden and food and fun for everyone. ❖
